Dear Mrs. Draper,

2004-01-28

The examiners of the Customer Service has missed the application document in 11/2 spaced, which I enclose together with the amended drawing 8/2a, 8/2b, 8/3 and 8/4. CIPO has objected the Fig. 2 due to insufficient detailing and the Figs. 3 to 10 due to labelling "Prior Art"

Thank you for your attention in advance.

Kind regards

*Gök-Dijen Go*
